

Engaging Minds Job Description

Position: Talent Sourcing Specialist

Position Details: The Talent Sourcing Specialist position is a part-time, hourly position reporting to the President.

Company Description:

Established in 2010, Engaging Minds offers one-on-one tutoring for students in elementary through high school. Engaging Minds instructors help students develop and refine the executive function skills they need to become motivated, independent, and confident learners. Instructors teach students *how* to learn, employing a methodology that is specifically designed to instill critical thinking skills, learning strategies, and problem-solving skills that students can apply across multiple disciplines. Engaging Minds instructors take time to get to know each student and to develop a personalized learning plan to meet each student's needs. By helping students find academic success early and often, students increase self-confidence and enhance intrinsic motivation, which sets them on a path toward achieving their full potential in school and throughout their lives. In addition to one-on-one tutoring, Engaging Minds also offers professional development workshops and ongoing learning and development for adults who work in the fields of education, counseling and youth development.
